DODGEBALL TOURNAMENT RULES

- (6) - round balls will be used
- All players must **WEAR SAME COLOR SHIRT/ shorts or dress** to make it known and recognizable that you are a team.
- All players must **WEAR GYM SHOES** to be eligible to participate.
- Players must remove all jewelry before each match.

The Team:

- The game is played by two teams with 5 on court players on each team and 2 alternates are allowed.
- Men, Women or Co-ed
- Players must be 14 years of age or older
- Each player must sign waiver, if under 18 a parent or guardian must sign
- Player can play on one team only!

The Court

- The game is played on a volleyball court. The court boundaries are out-of-bounds. The dividing line & firing line for teams will be the center-court line of the court. The center line is the game firing line *with the exception of the opening rush, in which the opening firing line is used*. No balls can be thrown except from behind the firing line.

Boundaries

- During play, all players must remain within the boundary lines. Players may leave boundaries through their base-line only to retrieve stray balls. They must also return through their base-line. Event staff will also help with getting balls back in play to limit the number of times for players to leave the court to a minimum.

The Game:

The object of the game is to eliminate all opposing players by getting them "out".

This may be done by:

1. Hitting an opposing player with a LIVE thrown ball below the head.
2. Catching a LIVE ball thrown by your opponent before it touches the ground.

Definition of LIVE: A ball that has been thrown and has not touched anything, including the floor, another ball, another player, official, wall or other item outside of the playing field.

Opening Rush

- Game will begin with 6 dodge balls on the center-court line. Participants will line up behind base-lines of the volleyball court. The official starts the game by blowing the whistle. Players run to the center-court line to retrieve a ball, then must go back to the opening fire line before throwing a ball. No balls can be thrown until behind the opening firing line.
- A player may not run cross the center line to get a ball, but a player may reach over the opponents firing line to get a ball as long as no part of his/her body touches the other side.

Winning a Game and Timing:

- The first team to legally eliminate all opposing players will be declared the winner. A 3-minute time limit is established for each contest. If neither team has been eliminated at the end of 3 minutes, the team with the greater number of players will be declared the winner.
- Best of 3 matches advances to the next round.
- If a game is tied with the same amount of remaining players at the end of the time limit, the teams will play sudden death. The first team to legally strike a player of the opposing team will be declared the winner of the game.

Stalling Violation:

If stalling occurs for more than 10 seconds, the official will give a verbal warning. After verbal warning if the team continues stalling, the official will eliminate the stalling player from the violating team.

The Rules:

The object is to throw the ball at a playing opponent and strike them anywhere between the shoulders and the feet. When throwing the ball at the other team, a player:

- May not hit a player in the head with a ball. That player hit in the head will remain in if this occurs. However, if a player purposely places his/her head in the way of a ball to avoid being "out" the referee will call that person "out".
- May not step over the center line / firing line on the opponents side
- May not throw a ball until behind their opening firing line at start of game
- Can catch a thrown ball before it hits the ground. When this happens the player who threw the ball is out. There is no rule that allows any player previously ruled "out" to come back in the game.
- May block a thrown ball with a ball currently in their possession.
- May not argue with referees as their decision is FINAL.

NOTE: A VIOLATION of these rules will result in the player being called out.

Code of Conduct:

- Understand, appreciate and abide by the rules of the game.
- Respect the integrity and judgment of game officials.
- Respect your opponent and congratulate them in a courteous manner following each match whether in victory or defeat.
- Be responsible for your actions and maintain self-control.
- Please remember this is a family friendly environment.
